PCCA Member:

Please accept this invitation to attend the 2019 PCCA Convention on the picturesque island of St. Kitts. St. Kitts is part of the Federation of Saint Christopher and Nevis—the smallest sovereign state in the Western Hemisphere in both area and population. The country is a Commonwealth realm with Queen Elizabeth II as head of state. It is located in the Caribbean, 100 miles southeast of the Virgin Islands and enjoys temperatures in the high 70s to low 80s throughout the month of March. We have a great program planned for the convention, with a nice balance of education and business sessions, networking activities, and optional activities.

Because St. Kitts is a small Island, there are fewer flights than on larger islands, so I urge you to book your flights early. American Airlines offers two non-stop flights daily into St. Kitts from Miami, and Delta airlines offers two non-stop flights per week from Atlanta and daily connections through San Juan on Seaborne Airlines. You will need a valid passport to enter St. Kitts.

Karen and I have been to St. Kitts two times and have found the people to be extremely friendly, the island to be very clean and safe, the food to be fabulous, and the beaches and the views to be stunning. The St. Kitts Marriott Resort has an incredible beach, a large beachfront pool with swim-up bar, excellent restaurants and bars, and an exciting casino. We've negotiated incredible room rates, starting at just \$259 for resort view rooms and going up to just \$359 for ocean view suites. We hope to see you in March in St. Kitts and don't forget to register and book your flights early.

Sincerely,
